

## *I AM YOUR DOG*

*A shoulder to cry on,  
A paw to lean on,  
Two silky ears to listen.  
A puppy heart to love you,  
A waggy tail to cheer you,  
A woof to remind you  
That I'm your best friend,  
Your confidante,  
Your counsellor,  
Your dog.*

*And I will never leave your side.  
I will walk with you,  
Sleep beside you,  
Laugh with you,  
Cry with you,  
Be silly with you,  
But, above all else,  
I will BE there for you.*

*And all that I will ever ask of you.....  
Is that you love me,  
Just as I love you.*

*How can I be all these things?  
That's tough for a doggie to explain.....  
But I came from a special place!  
Spell DOG backwards,  
He made me and sent me to you.  
Because He knew you needed love.  
So, He sent me!*

*For a doggies love is special,  
It's simple and it's pure,  
It's constant and it's steadfast,  
And guess what?  
It's all yours!  
For, I am your dog.*
